## CPSU HSR course is a WorkSafe Victoria Approved Training Course.

All elected health and safety representatives (HSRs), and deputies who have attended a HSR initial OHS training course, are entitled to undertake this WorkSafe Victoria approved occupational health and safety (OHS) refresher training under Section 67 of the OHS Act 2004.

Section 67 also allows HSRs to choose the approved training course they attend in consultation with their employer.

The course provides HSRs and Deputy HSRs with information and skills required to successfully carry out their roles and powers under the OHS Act. CPSU training is tailored to workplaces within the Victorian Public Sector ensuring that case studies are relevant to attendees.

CPSU is able to deliver group training upon request. Contact our OHS Officers on 96391822 for further information.
