It is with pleasure that SGE Credit Union is able to offer financial products and services to all members of the Community and Public Sector Union and their families.

SGE is one of Australia's largest Credit Unions with assets of over \$300 million and membership of 50,000 and has been in operation for over 40 years.

Credit Unions are different to our competitors in the way we deal with members.

People can approach us with confidence in relation to their financial matters in a way that they could not approach their bank. SGE has had a lot of experience dealing with people in the Public Sector and represents a significant portion of our business.

SGE can offer you a choice of the following:

- Savings & Investment Accounts.
- Loan Accounts (Personal, Home, Car, Consolidation)
- SGE Visa Card - an option to use as a Debit or Credit Card.
- Insurance - benefit from an excellent new insurance partnership with CGU Insurance, one of Australia's largest general insurers. CGU's product range includes home and contents, landlords and motor vehicle insurance with pay by the month premiums.

SGE also has services such as:

- ✓ 24 Hour Moneyline - ring up to receive your balances or transfer money.
- ✓ Internet banking - online 24 hour services
- ✓ SGE Direct - operators are standing by to give you an insurance quote, phone-a-loan service, or to help you with any inquiries.
