Strong on the ground representation through your CPSU Local Group and access to CPSU Delegates for support and advice.

WORKPLACE PROTECTION

Workplace protection, advice and representation regarding misconduct allegations and investigations.

WORKPLACE BULLYING

We assist members who are victims of bullying, and we work closely with employers to ensure proper policies and procedures around bullying are in place to keep workers safe.

SECURE EMPLOYMENT

Protections against the misuse of fixed-term contracts and casual employment to promote secure and stable jobs.

WORKCOVER

The CPSU WorkCover expert supports CPSU members to access their rights and entitlements when injured at work.

MISCONDUCT REPRESENTATION

All workers are entitled to procedural fairness and natural justice but CPSU members are entitled to representation by their union at any stage of the process.

ROSTERS

Protections in the EBA ensure that roster changes must consider fatigue, family responsibilities and financial impacts.

OCCUPATIONAL HEALTH & SAFETY

Our OHS team provides world-class training and assists members to prevent risks to health, safety and welfare.

PENALTY RATES AND OVERTIME

CPSU has protected penalty rates and overtime for our members and ensured these are locked in to the EBA.
