

What does CPSU do for me?

PAY RISE

We won an annual increase of 3.25% annually for four years

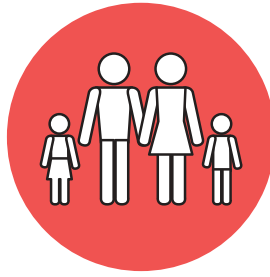

LEAVE LOADING

CPSU fought hard for leave loading after it was scrapped in the 1990s. Now all VPS employees receive 17.5% annually.

WORKLOAD

Our VPS Enterprise Agreement protects you from unreasonable workloads.

FAMILY VIOLENCE LEAVE

20 days paid leave and additional protections for any employee experiencing family violence.

PARENTAL LEAVE

CPSU negotiated a gender-neutral parental leave clause; a first within any government EBA in Aus.

SECURE EMPLOYMENT

Restrictions are placed on use of fixed-term contracts and casual employment, increasing secure work.

SUPPORT

We assist members who are victims of bullying, and are developing model policies and procedures for the VPS.

WORKCOVER

CPSU has a WorkCover expert who supports members if they are injured at work.

OHS

Our OHS team assists members to resolve hazards and risks to occupational health, safety and welfare.

MISCONDUCT SUPPORT

CPSU members are entitled to representation by their union at any stage of the process.
