

SAVE OUR SERVICES RALLY

Monday 3 March 1pm
1 Treasury Place

Save Our Services

When public service jobs are under attack, we stand up and fight back!

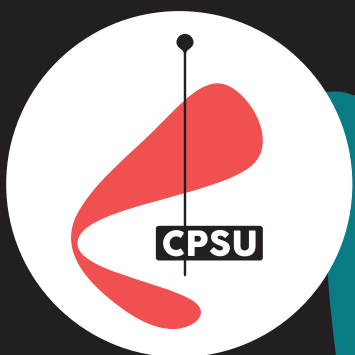

The Government is planning to slash public service jobs but we've already been cut to the bone.

Victorian public servants keep the state running.

Every VPS job contributes to the delivery of government services at the standard and level that Victorians need and expect.

CPSU will rigorously defend every job. This rally is just the start.

Make a sign or a banner to help get the message to the government and bring your workmates.

1pm Monday 3rd March
Outside 1 Treasury Place
